#### General terms and conditions:

Software License Agreement for Beckhoff Software Products and IML 2009. Warranty: One year from date of delivery.

Terms of payment: 30 days from date of invoicing. Currency clause: At the time of invoicing, 1 Euro = 10,20 SEK, 100% adjusted in case of deviation >+/-2%.

Returns: Returns free of any value reduction, are those for which we can be held responsible. E.g. administrative faults or manufacturing faults. Other kind of returns must be granted by us. Include invoice- or order- number. Granted returns must be returned in unbroken, original packaging. Because of handling costs of unpacking, control and possible adjustment work, reductions will never fall short of 30% of the sales price. Returns of value under 25 EUR will not be accepted in return.
